# Overcoming Heterosexism And Homophobia

## Synopsis

This text provides ideas and strategies for affirming diversity and overcoming heterosexism and homophobia in a wide variety of settings, such as education, politics, the media and the helping profession. Providing strategies for educators, counsellors, community activists and leaders and those in the gay and lesbian communities, it is organized into four sections: Foundational Issues - an overview of heterosexism and homophobia and a multicultural perspective on communication; Working within Communities - Ethnic Groups and Family Members; Working with Students; Working in Professional Training Programs; and Working within Institutions. Role-playing exercises, methods of coming out and outlines for workshops are also included.

## Customer Reviews

James T. Sears is professor of curriculum studies at the University of South Carolina. Walter L. Williams is professor of anthropology and gender studies at the University of Southern California.

Well written and informative.

This is an excellent text. I highly recommend it for anyone involved in LGBT issues. This highly readable text will appeal to readers of all stripes, all orientations, so leave it out where others will see it... and wait to see who picks it up! Come out of the closet and bring someone with you. It's a

wonderful journey.
