The McKinsey Edge: Success Principles From The World's Most Powerful Consulting Firm

Synopsis

Forty-seven strategies elite managers follow to reach the highest level of success. The McKinsey Edge culls the personal best practices of an exclusive group of managers connected to McKinsey & Company, a firm that services 80 percent of the world's largest corporations. Through a wealth of 47 rigorously selected, battle-tested, immediately implementable, and practical tips, listeners discover the secrets to building the self, growing with others, enhancing process management, and going the extra mile to reach the next leadership horizon. All who are struggling to accelerate their careers will keep this book at their fingertips for its rare, real-world advice for ascending through the levels of management - all of which require specific mind-sets and capabilities that only a handful of people ever master.

Customer Reviews

It's a well written book, consisted, and applicable to a growth oriented individual. Highly recommended. If your looking for weekend read and a book with a punch, then give this a try.

I'm at the manager level; 7 years into my career. This is an excellent book for a businessperson of any level.

This book gives a lot of indicates for any kind of business person to work much better and get their own goal much more effectively. Don't miss it.

Great book

Good books and give the others knowledge.

very good book!

Great read!!!

I actually found this to be a pretty good book, but it is not so much about problem solving, more about principles behind being a good consultant in the general sense. How to improve yourself, how to work with your team etc. It is also quite brief and easy to read - so provides you with a good checklist of activities
