The Pastor's Other Woman: The Complete Series

Synopsis

COMPLETE 2 PART SERIES IN ONE!Andrew "Drew" Webber is the epitome of a man of God. Or is he? Drew preaches every Sunday to bring God's people closer to Him and he's always going out of his way to be a help to someone in his flock. He has been leading his wife's family church for the last ten years, but is that really his calling? Jewel Webber is the beautiful, yet insecure wife of Drew. She loves her husband and their two daughters more than anything in life, but past hurts have caused her to remain in a depressed state of mind for so long that she has become complacent in her insecurities. Putting on a smile for the people, and even her family has Jewel making mistakes that could come back to either haunt or help her in the end. Jasmine is Jewel's best friend, and it had been that way since their freshman year of college. She could never understand how Jewel had so much but was always miserable. Jewel had so many people who cherished her but she always found something about her appearance that sent her over the edge and Jasmine was tired of it. If Jewel couldn't be happy with the life God has blessed her with, then Jasmine would just claim it as her own. Only there was one problem—she wasn't Drew's only kept secret. Bryce is Drew's best friend. They ran the streets together back in the day and had plenty of ladies beating down their doors. It was all fun and games until his eyes and heart fell for the one and only Jewel Rivers, she just wouldn't fall for him. Bryce always knew that he was called to preach and after plenty of childhood mistakes he wanted to do right and he wanted his boy Drew to follow suit. But that was easier said than done. Will God be forgiving to Bryce in the end by presenting him with his "good thing" or will he himself have to suffer the wrath that God dishes out? How can a man of the cloth have such a sinister heart and everything he preached was a lie? Would God continue to cover him or does the collar he so expertly wears begin to choke him as secrets are revealed? Will Drew even care? Could it be that he and his wife are indeed "equally yoked" because they are playing with the same fire of destruction? Or will the pastor's other woman hold all of the cards in the end?

I loved this story and every time I read a book by this author I fall more n more in love with Christian Fiction, that characters were great expect for Drew n Jasmine whom I totally dislike , I loved Avery, she was a very strong n grounded young lady, so full of faith that it amazed me to read about her, this was a great story n I can't wait to see what they s Author brings next

I thoroughly enjoyed reading this book. It's not often I open a book that is not only well written but can have me praising the Lord in all his glory. I thank you for that! I'm sure everyone that reads this can relate in some kind of way. Oooh but that darn Drew...smh. You know u wrote a banger if I'm mad at characters and all in my feelings...LOL! I would highly recommend this book with 10 stars. Amen!

This book was full of surprises. The characters were well developed and very easy to relate to. I always enjoy Ms boones work. There's a message in every story

I love Denora Boone's books! Yes Ms. Boone is doing her thing! One thing I can say is that she delivers a WORD in her books. If you don't understand about the WORD then this book may not be for you! LOL. She has become one of my favorite Christian Lit authors. Some of the other authors can't bring the worldly and the spiritual totally together to make sense. But she finds a great balance! It is definitely worth the read!

This was a great page turner!! Dex was a hypocrite that nobody deserved to have in their life!! The things that he put Jewel and other women through just wasn't right!! All the lies and betrayal was not worth the money that he was out to get!! This book will leave you in disbelief but it's well worth it!! Can't wait to read part 2 to see if Jewel get the happiness that she deserves!! Great job Denora!!

This is my first time ever reading any literature from this author. Everything moved too fast as if the author had limited pages to make a point. Not enough development for my liking. To each it's own, may be okay for another reader.

I am so glad Kammy didn't really die. It made me so sad, this was a real good book. I gave it 5stars because it kept me glued. It was some minor editing issues, but it did not take away from the story at all.

This book was amazing it tied up everything perfectly from the first book "the pastors other woman 1" all the twists and turns made me feel like I was on the ride of my life. I however could only give this book 4 stars because the typos were atrocious to say the least, borderline embarrassing like a fourth grader edited it. I mean the names were mixed up making it confusing at times, stuff like "wring" instead of "wrong"...I mean for real msg #etymology it annoyed me to no end, but if you can get past that it's a good read ÅfÅ Å Å, Å ÆœÅ Å•
