## Synopsis

John McEnroe enjoyed tremendous success at all levels of tennis, and he owns 77 career singles titles, including 7 Grand Slams. He joined the circuit in 1978 and it took him only three years to attain the No. 1 ranking. The 1980 Wimbledon final, between McEnroe and Bjorn Borg, is considered by many tennis experts to be the best match ever, a five-set thriller which McEnroe avenged the following year for his first Wimbledon title. In doubles, McEnroe is recognised as the best player of all time. He was ranked No. 1 for a record 257 weeks and captured a total of 74 titles, including 8 Grand Slams. Still an active player, McEnroe is now an outstanding tennis commentator and broadcaster for the BBC and other national networks. This autobiography, his first, covers an awesome tennis career, marriage to movie star Tatum O'Neal and where arguably the greatest tennis player of all time goes from here. This is SERIOUS.

## Customer Reviews

Seriously... This book can take you back to the days when Johnny Mac ruled the courts, and the authorities too. Mc Enroe goes candidly describing his ascent to number 1 in the world, his personal

relationships including his two marriages and his closest friends on the professional tour. Everyone agrees that Bjorn Borg retired way too early, but this man says it all when he tells us how he became empty after the great swede left the tour. It is a great buy and a must read for real tennis fans, and I would buy it all over again, specially at this great price!!...

Good product, good price, fast delivery!

I was very disappointed. The story seemed to be disjointed. I had just finished the Andre Agassi book which in my opinion is far better reading..

Loved reading this book and getting an insight into the this man.

Very very interesting. Got an inside into what McEnroe is truly like.

Ok

Great book and really funny parts too really recommend reading this book as it gives you the insight of the legend John McEnroe

I really enjoyed this book - very informative about John McEnroe's life and more especially his tennis history and his subsequent commentating role.
