The heaven answer book, this is an awesome book!. all my questions were answered about heaven and death just everything. I couldn't put the book down. I bought this book as a gift for a friend and it was just wonderful. I rated this book as excellent. the chapters are not long and it sure isn't boring. I highly recommend this book for anyone. I feel other books on this subject are too in depth this book

gets right to the point, the front and back part of the book is really pretty as an added bonus.

This is a great book . It has Bible answers to questions about Heaven not just opinion. I highly recommend this book.

I discount most books about people who have glimpsed heaven only because they cannot be tested by the Word. This book, and another entitled 'Heaven' by Randy Alcorn, answer our most basic questions, based on scripture. We should look forward each day to spending eternity in the magnificent promise of Heaven!

While I would like to know all the specifics about heaven, Rev. Graham illuminates and cites scriptures on everything the Bible says about heaven and what we can expect. His book has given me a stronger belief in how important it is to tell others about the promises of Jesus and the afterlife.

Arrived on time. Exactly what I wanted. Saw this book in Wal mart and then checked here on price much cheaper. Highly recommend.

Heaven - such a blessed promise. Freedom from this broken world. To live with one who loves us so much. An excellent guide for all.

Billy Graham us the simple and solid truths of scripture to give us a glimpse of Heaven through scriptures. This would be a great book to give to new Christians or to people you are trying to share the Good News of Jesus Christ with. The book is filled with salvation scriptures.

This book answers almost everything we might want to know about heaven and in a simple way that is refreshing. Answers are short and based on the Word. Thank you, Rev. Graham, and God bless you!
