Package Dimensions: 8.1 x 6.3 x 1.3 inches

Shipping Weight: 2.1 pounds

Average Customer Review: 4.3 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,388,067 in Books (See Top 100 in Books) #24 in Books > Teens > Education & Reference > Reference > Encyclopedias #330 in Books > Reference > Encyclopedias & Subject Guides > Children's #1987 in Books > Teens > Education & Reference > History

Customer Reviews

âœA wonderful and accessible reference book.â • âœChildren's Literature

Kingfisher is an award-winning publisher of non-fiction and fiction for children of all ages. Known around the world for its informative and engaging reference and early learning books, Kingfisher also receives widespread acclaim for its classic anthologies for five- to fourteen-year-olds and original picture books for very young children.

Nice sized handbook. Great for a young scholar to pore over. I'm not sure how it compares to the full-sized book, which in homeschooling circles is called the "white Kingfisher". The full sized version is very sought after, and, hence, highly priced. I hoped this would be a good substitute, and it is working out well. An older student is using it, and the smaller print, makes the pictures a little less

lovely, but makes it feel like an older text companion. Since it is title "concise" I assume, it has less content than the full-sized version, but it is needed as a supplement, for homeschooling, and I do not mind sacrificing the size and number of entries, a little, for the smaller more portable size, which, as I said, has a more mature feeling, though I suspect the writing is the same. Please note: I have not compared one-on-one, though.

Great little resource book for our home school library. The kids enjoy looking at it the pics and also reading it.

This is a goodt Book! This book is good for my 3rd grade classroom. My students really liked this book.
