Synopsis

Regular practice is the best way to reinforce concepts and allow students to gain confidence and mastery of skills. With 180 Days of Reading for Second Grade you get reading and critical thinking exercises for students for every day of the school year. Presented in a consistent format from week to week, the activities in 180 Days of Reading allows students to progress in reading comprehension and word study skills, and makes diagnostics and assessment easy for parents and educators. Through both fiction and nonfiction reading passages, students get purposeful practice in engaging with diverse texts appropriate for their grade level. Ideal for after school study, intervention, or homework, 180 Days of Reading workbook activities are correlated to College and Career Readiness and other state standards. In addition to reading passages, data-driven assessment tips as well as digital versions of the assessment analysis tools are provided. With text passages that advance in complexity throughout the year, student learning is enriched by developing and honing skills of reading comprehension, interpretation of symbols, making logical inference, summarizing and responding to literature, and more. Boost your Second Grader's reading skills in a hurry with the easy-to-use activities in 180 Days of Reading! About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.

Christine Dugan, M.A.Ed., is a former elementary school teacher and online curriculum product developer. After earning her Master’s degree with an emphasis on language and literacy, Christine went on to become a writer and editor of educational curriculum. She has written numerous resources for Shell Education and Teacher Created Materials.

Great book. Prepares for tests - kids learn to understand the instructs of the tasks. That’s critical for passing the test.

180 days of reading is great curriculum for the homeschooled second grader! My daughter even likes it. It’s enough work for the whole year.

I like the way it makes them think about what they have read

Fabulous series in general but I'd have to say my favorite is this one. The reading comprehension checks are on grade level and clear. Such a well done book!

Good learning material

Great

Working in this with grand kids. Learning while we have fun.

Good reading and comprehension practice.
