Jesus, One On One

Synopsis

What if you saw Jesus face to face? Would you tremble, shout for joy, or beg for mercy? Read about individuals who encountered Jesus and how they responded. Step into the shoes of those who met Jesus. What did the Foreigner think? How did the Leper feel? Why did the Woman wash Jesus feet with her hair? What was she thinking anyway? Matthew records at least forty incidents where Jesus interacted with one person. He understood people's hearts and responded to their specific needs in specific ways. These stories bring insight into today's problems and show how Jesus can help you with your unique situation. The author does an excellent job of portraying insights as she retells the accounts of Christ in a contemporary way. Each chapter challenges the reader to think introspectively and allows Jesus to minister to them individually. --Alesa Campbell, Double Honor Ministry

Customer Reviews

This book is a unique look at 40 interactions with Jesus. The author's perspective on Christ's

encounters with people just like us brings out aspects that I had never considered. She gives a fresh look at each of these stories with some modern day contexts which make them very relatable. After each short encounter, she gives us some further study and insight into what we might take away from the text and possible applications. I like the way each individual Jesus encountered is given a name describing their feeling or issue. There is an index at the end so if you are struggling with something specific, you can go straight to that chapter to read how Jesus dealt with that person. This is a great study that can be done daily, a few at a time, or based on topics using the index. I highly recommend it.
