## Customer Reviews

great book

There are quite a few designs in this book - some santas, nutcrackers, snowmen, birds, mice - a lot of samplers. Although some of the designs say they are ornaments (or on a sampler) one could very easily put them on a Christmas stocking (those are the types of designs I'm looking for). (I don't like mice but they have a Christmas stocking with several mice on it.) Directions for basic and special cross stitches. very nice book.

knew stuff to make!

Love it!
