The best then,,,and the best now! She taught me the skills needed to prepare good Thai cuisine...We became good friends, and cooked, and cooked, and cooked, until her untimely death, and amazing very talented woman.! ...JMKeller

I have tried several of the recipes from this book and have enjoyed them, very authentic. Some of the recipes i would like to make but have not been able to yet because I have not been able to find some of the ingredients. I think I will have to buy online or find some kind of specialty market thats not too far out of the way.

I love Thai cuisine and this is the one of the best cook books,containing so much recipes with detailed step by step descriptions of the preparation and technology process .I love it .

looks classic thai cooking no art photos in this book .

Great!

My favorite Thai Cookbook, the recipes are easy to follow, and produce great, yummy, results.

Great for quick Thai recipes and history and information on Thai seasonings. Lemon grass is easy to grow from stalks you get from the grocery store. Really enjoy this cookbook/

I can't say enough good things about this cookbook. I have been able to replicate or improve upon my favourite Thai dishes I've had in the best restaurants by using this cookbook. It's now falling apart from so much use and it's time I replaced my copy. The Chicken lemongrass soup, the Tom Yom Soup, the Galloping Horses, and the meatballs are the best!
