A complete and total revelation for me. EVERYONE should read this book. Intend to give it as gifts to friends and family in an effort to spread the word. Thank heaven for Dr. Ingram and others like him who, at great expense, have the courage to go against the flow, doing their utmost to dispel the darkness of deception with the light of knowledge.

I looked up some of his accusations and he is right.

Unbelievable book by Dr. Ingram. Must read!

Everyone is afraid of getting cancer. This great book can help inform you of the things to avoid and the things to make part of your life.

This man is so educated in so many areas of healing, it would be worth your while to invest in his books!
