Dr. Shannon is the Founder and C.E.O. of Healing Life Coaching, Inc. and Date Yourself Well C.A.M.P. Her Minneapolis + New York City based consulting company provides Life Coaching to individuals and corporations throughout the United States, Canada, and Australia. She is also an inspiring best-selling author and international speaker. Serving thousands of chiropractic patients for over two decades in private practice, as well as one of the leading cancer hospitals in the world, she began to recognize a commonality in those she cared for: The Dis-ease of Disengagement. Soon

she discovered that the stories of the leaders she was coaching were quickly becoming her own. The illusion of the "Cinderella Syndrome" and endless race of the "Superwoman Syndrome" had left her disengaged, divorced, stuck in her head, and feeling painfully unlovable. After three divorces (and a funeral), over more than a decade of suffering from a disengaged (divorced) heart, she discovered these epic, proven, effective secrets of dating herself well. This led to her selling or giving away all her possessions, except only those she absolutely loved, and following her heart to New York City. No longer suffering from the heaviness of a divorced heart, nor the weight of excess baggage, she fully engaged in the life of her dreams as a life coach, author, and international speaker. Dr. Shannon's taught countless people (like you) to fully engage in life again, and unlock the little girl (little boy) within that's been yearning for MORE! More Fun, Hope, Certainty, Abundance, Movement, Purpose, and LOVE.... So what does Dr. Shannon have to say? Happily ever after isn't possible without an engagement. It all starts with a date. Mine started on the day I stopped everything, and dared to ask my heart what "she" felt. Today I spend my dates/days in the two greatest cities on earth, the Minne-Apple and the Big Apple (a.k.a. MYCity), doing what I love. When I'm not unlocking hearts, I love writing, running in Central Park or around the Lakes with the Love of my life and our rescue Yorkie (Stela), boxing (no hitting in the head allowed), traveling the world with my adventure-loving daughter, and taking lots of pictures along the way. I love a great "2+ person selfie", especially in front of MYCity's fabulous graffiti. Most of all I love spending time with those I love, because although people may fail, love never does. I invite you to join me in the journey of dating yourself well. xo

This helped me realize, I don't need fixing and showed me how to fully engage in my life by getting to know and love me! I've spent the better part of my life taking care of others. I didn't love me enough to take care of me. Now is my time to get to know and love me unconditionally. This book has changed my belief system about me.

excellent read

It's amazing how we can get so caught up in life, yet feel so completely unengaged with ourselves at the same time. We try to keep up, but we aren't ever fulfilled. And how can we fully engage with others in a healthy way if we haven't fully gotten to know ourselves and LOVE ourselves! Dr. Shannon, through her honesty, vulnerability, and encouragement, shows us how to get to know ourselves, get to know our hearts,

and live a fully embraced, wonder-filled life. Who doesn't want that?!

I can tell you from first hand experience that if you follow the steps in this book, your life will be changed forever! You can throw away all other self help books because this book has it all you need to love yourself and in return love flows out of every area of your life, even in areas that are not so loveable. And love never fails, guaranteed!
