Children can act out these special lyrics to the song "If You're Happy and You Know It, Clap Your Hands" with the Elmo puppet. Clap your hands, rub your tummy, and scratch your nose along with Elmo and friends. Wonderful, whimsical illustrations add to the charm of this unique book.

My 1-year old granddaughter loves this puppet book. She looks at the pages and laughs when I make Elmo's arms move. She keeps looking around the back to see where Elmo is... she can't quite figure out how he manages to move and wave to her. But she loves looking at it and holding it. I highly recommend this puppet book for any toddler who likes Sesame Street characters. I wish they made one with Cookie Monster, Burt/Ernie, Big Bird and all the others. If they made more of these I would buy one of each character for her.

My granddaughter LOVED it. I still haven't figured out how to do the mouth AND the hands at the same time but, she doesn't care, she loves the clap your hands song but, so far hasn't allowed me to read the book to her because she is too busy hugging the Elmo which is totally a surprise because she LOVES Micky Mouse and I didn't expect her to really LOVE the Elmo motif.

Again I bought this for my Great Granddaughters and I am sure they will enjoy it. I found it a little hard to manipulate the fingers but all in all really cute.

The kids love it! The Elmo puppet is cute and the the Grandkids want to go back to it time and time again. We buy them for gifts

Really cute. my daughter loves. but she's always trying to pull out Elmo to hug and kiss, so now i have to buy the puppet.

My daughter loves everything Elmo! She loves this book!

My granddaughter loves this book. Great for 12 to 24 months.

My 10 month old daughter LOVES this book! She will crawl over to the shelf and drag it back so that we can read it over and over again! The hand puppet is just perfect! She kisses Elmo and claps away!!
