## Customer Reviews

Very good book for a beginning player!! If they know the alphabet this makes a good first learner. I also bought the keyboard alphabet stickers and kids feel like they can play music!!

This book is okay. I am not familiar with the notes. It helps but, using it with a piano teacher would be my suggestion.

I bought this for my granddaughter and she loves it. It was a good book for beginners of the keyboard.

Great product for my grandson learning to use the keys.

Great book

Great book for the beginner like myself.

This book is great for beginners

My 4 year old Granddaughter is taking lessons, and this book is really making it an easy process for her!
