Born Of Aether: An Elemental Origins Novel (Elemental Origins Series Book 4)

Synopsis

They say if you tell a lie long enough, you'll eventually believe it, but Akiko will never forget who she really is. Akiko Susumu is not what she seems. Her life as a normal teen living in a coastal Canadian town is a complete sham. The old man she lives with is not her grandfather, he's her captor. And Akiko isn't a teen. In fact, she isn't even human. But Akiko isn't allowed to share the reality of her true nature with a single soul. Not even her three best friends know of the power she could wield, given the chance. So, when she's sent back to her homeland to steal an ancient samurai sword, she jumps at the chance to secure her freedom, only to get caught in a deadly game of cat and mouse with the most dangerous crime syndicate in Japan. Can Akiko escape with her life and her soul, or is true freedom as elusive as the Aether she was born from? Born of Aether is a novel in the Elemental Origins Series which can be read out of order. Don't miss this exciting series!

Customer Reviews

Finally, Akiko's story. She had a different vibe and this book explain who is Akiko, what she is. And it seems the girl also want the answer to this question. This time the settings are a trip in the past and a quest in a dangerous place. Memories mix with wishes in a tale of love, family, betrayal and repentance. I loved the outcome of the book and cannot wait to see how Akiko will react to her friends being more than meet the eyes. This was clearly one of my favorite and I recommend it warmly.

I enjoyed all of A.L. Knorr's Elemental series, but perhaps it is the idea of being a caged bird that threw me off in this story. Her other heroines were strong women, and for some reason, I felt Akiko should have been stronger, mentally. The story itself was very well written, as always, and kept me reading. I am anxious to read the reunion of the four friends after their summer of self-discovery.

I want more Elementals! More!!! Marvellous. Perfect blend of history with current events. Kept me up late in order to finish and I am one who value my sleep.

Very good, couldn't guess the story line. Well written. Will keep looking for the next edition.

I enjoyed this story of emotional peaks and valleys! The locations come to life and is a real page turner. Thanks Abbey for another great tale of the four friends. I'm looking forward to your next one!!

This book was so good, the whole series is. Usually some authors are very predictable with their writing but Abby is not at all. I will recommend these books to everyone I know. I'm in love with all 4 girls and Mira too.

Its a great series, well told. Can be read in any order. Action and drama packed. I hope there is another to wrap the series up with all the girls. Will keep watching and following for info

Loved this book! Actually I loved the whole series and can't wait for books 5 and 6 to come out!
