Just what we needed.

very good condition! I like it so much. same as new book. it save me about \$80. so happy. read it now.

Book came in good condition. Pages were intact and had no problem reading the book. We were satisfied with how it looked. Would recommend to other customers.

Good quality, fast shipping.

This is excellent for us - we are using the entire series for middle school. Having a child who was in the public school system and is now homeschooled these are perfect for us. We also get the workbook with the text, our son really responds well to the combination :)

so good . i love it , Amazing customer service and a great product. very good . fast shipping.
