This book actually was above my expectations. It was more helpful than we thought. It has a lot of information about everything you need to know if you will travel to Savannah. Thank you

This book was okay. It was a good starting point. I was looking for a Hilton Head travel book, but all the books I found on were SAVANNAH & Hilton Head. There were good restaurant suggestions, but nothing special. There was only one, small, non-detailed map. Luckily, there were some local, free, Hilton Head specific travel guides at the house we were staying at and we mostly used those once we got there.
