Oahu Revealed: The Ultimate Guide To Honolulu, Waikiki & Beyond (Oahu Revisited)

Synopsis

The finest guidebook ever written for O'ahu. Now you can plan your best vacation ever. This all new expanded fifth edition is a candid, humorous guide to everything there is to see and do on the island. Written by the author of the best-selling guides, Maui Revealed, Hawaii The Big Island Revealed and The Ultimate Kauai Guidebook. Explore with him as he reveals breathtaking trails, secluded beaches, pristine reefs, delicious places to dine, relaxing places to stay, exciting waterfalls, colorful valleys and so much more. Every restaurant, activity provider, business and resort is reviewed personally and anonymously. This book and a rental car are all you need to discover what makes O'ahu so exciting. The most up-to-date and accurate information available anywhere with up-to-the-minute changes posted to our website. Frank, brutally honest reviews of restaurants, hotels and activities show you which companies really are the best and which to avoid no advertisements. Driving tours let you structure your trip your way, point out sights not to be missed along the way and are complemented by over 150 spectacular color photographs. 21 specially-created maps in an easy-to-follow format with landmarks so you'll always know where you are on the island. Clear, concise directions to those hard-to-find places such as deserted beaches, hidden waterfalls, lush rain forests, spectacular coastlines and scores of other hidden gems listed nowhere else. Exclusive chapter on O'ahu's beaches with detailed descriptions including ocean safety. Unique Adventures & Attractions chapter, over 60 pages of exciting activities from ATVs to whale watching, and over 200 restaurant reviews. Fascinating sections on Hawai'i's history, culture, language and legends. Companion website with links to every business, events calendar, over 80 resort reviews complete with aerial photos so you'll know if oceanfront really means oceanfront. Oahu Revealed covers it all from the top of the Ko'olau to the lost sunken island off Kaneohe. This is the best investment you can make for your O'ahu vacation. Whether you are a first time visitor or a long time kama'aina, you will find out more about O'ahu from this book than from any other source. Discover the island of your dreams with Oahu Revealed.

Customer Reviews

I downloaded samples of a lot of Oahu books and I just liked the vibe of this one. It seems more honest than the rest (in terms of criticizing tourist traps and telling you tricks). I am a big Rick Steves Europe fan and this book had a similar style. We bought this one and downloaded some of the other (Lonely Planet, etc) and we liked this best and planned our trip around its ideas. PS We loved the Polynesian Cultural Center - we ended up making the hour drive twice. Waikiki sucks (crowded and chain restaurants only). The zoo is not good. Lanakai Beach was awesome.

These are the best guide books for Hawaii. I have all 4. As someone who spends a lot of time on Maui figured I did not need these, but my brother had this book as bathroom reading and I was hooked. So much history and facts. Worth it even if your not a tourist!

My wife and I have traveled the world and used many guidebooks. This one is the best out of fifty or more. For starters, the author isn't paid by restaurants, etc. to give positive reviews. As such, you'll read about gardens with the recommendation to give it a pass. I've found that reading it before your trip is best because it is full of local info from a tourist viewpoint. The book mentions an app with gps coordinates and recent updates. I'll download it (an extra \$8 or so).

I am a huge fan of the Revealed books. I really appreciate that details that Andrew Doughty includes. This guide book puts the other Oahu books to shame as far as I am concerned. Our trip to the island was awesome in part due to this book. We experienced Diamond Head, the Buddhist Temple, Punch Bowl, Pali Highway and on and on. We avoided the market place downtown and purchased our souvenirs at the stadium swapmeet. I wish there was a revealed book for all of our vacation destinations.

bought a used book..and the person before me had interesting comments everywhere... which i like. But ultimately, this book does not compare to the one i have on Maui. I know Oahu well, and hoped to find more interesting things to do... given i know the island.

These books are a total must for your travels to any of the Hawaiian Islands. Used this book for our Honeymoon to Oahu and found everything to be pretty spot-on! This was a great use for planning our trip and then we cross referenced things with TripAdvisor reviews as well. For those of us that get minimal time off from work for a vacation - we have to do everything to make every minute of that time off count! This book made that possible for us!

It's a gift so haven't read it myself but from flipping through , it looks like a perfect book for my friends upcoming trip to Hawaii! Big enough to be easy to read but not too big to carry on the plane to read on the way

This book is wonderful! It is easy to use, gives all sorts of information about places to go, where to eat and what to do, and is written in a fun yet informative way. I have one for myself and I've given a few as gifts. Everyone has told me how much they enjoy reading the book. Yes, it's a guide book, but you can read it like a novel simply for entertainment. It's that well-written. I have also purchased the Kauai book and found it to be most useful on a weekend trip. The only recommendation that we have disagreed with so far is a BBQ restaurant on Kauai. BBQ is quite subjective, I'll admit, but hubby and I both disliked the food, while usually at least one of us will like the food wherever we go. But it was right across the street from the ocean so it was lovely just being there. But I digress. I leave this book on the bedside table in our guest room and all our guests have enjoyed looking at the really nice pictures and reading it. Each one finds something new-to-us to do on their visits. I highly recommend this book.
