Thank You For Being You

Synopsis

"I have filed away at least a million things to thank you for, but somehow I never got around to actually telling you what I felt nearly as often as I wanted to." —BTG, inside *Thank You for Being You*

This book makes up for every thank you letter you forgot to send. Consider this the long-overdue, but perfect expression of gratitude for parents, friends, siblings, co-workers, and loved ones.

“Since the debut of his international bestseller *The Blue Day Book*, Bradley Trevor Greive has become a household name in more than 115 countries. A former Australian paratrooper, BTG left the army to pursue more creative misadventures. He has been bitten by wild monkeys and rabid bats and was accepted into Russia’s cosmonaut training program--though those incidents were, by and large, unrelated. BTG spends most of his time in a tiny Tasmanian hamlet.

You know that really great friend - the one for whom you can never figure out what to get her that will show how much you care? This is it! I cannot wait to give this book to my friend when she visits in February! .

Good book for friends ,lovers , soul mates and married folk - the only complaint I have is that by necessity, some of the things someone is being thanked for will not necessarily fit everyone. But there is so much that does, that is not specific to a situation (as in drinking or fighting) that it is a

great gift for people in a close relationship. The pictures of the animals are precious and are what makes this book so very special.

I bought this book as a gift for my best friend. She absolutely loves it!! I was able to thank her for all she does for me in a meaningful yet fun way. The pictures are great and the "thank you's" cover everything. So glad found this book!!

This is a great concept and a great book. I love all the books by this author. The problem with this one is that there are some pages that are intensely personal and specific, and some that seem to border on a romantic relationship, some on friendship... it's just kind of a mix, so it ends up being not quite right for anyone. I purchased this for a good friend, and after reading it, there were so many pages that didn't fit that I decided not to give it to her. But then I thought, "She's a VERY good friend," so I tore out all the pages that didn't fit and gave her what was left. :) She loved it.

I ordered this particular book to give as a gift but read it before I gave it to a friend and we both loved it. I knew it would be excellent as I had read the Blue Day Book several times and loved the author. I also ordered 3 Blue Day Books as gifts.

This juxtaposition of animal photos and captions is imaginative and adorable. This is the third book of this same idea that I have purchased.

A way to send what you think to someone in an affectionate way; Adorable pictures with sayings. Makes a great gift.

Bradley Trevor Greive delivers another excellent uplifting book that makes for a great gift and a great way to say thank you.
