Gone With The Wine: Living The Dream In France's Loire Valley

Synopsis

In charming and whimsical detail, Rosanne Knorr shares the delights of life in the 'Garden of France' -- the Loire Valley, where the food comes fresh from surrounding fields, the people are hospitable, and the wine is so plentiful it's pumped from vats like a service station for winos. Along with her husband and pate-loving dog, Folly, they gain insights on the history, people, and daily life. Joyful reading for voyagers and armchair travelers alike!

I enjoyed reading about the author and her husband and their immersion into a new way of life. A good read.
