# Kids Travel Journal: My Trip To Jamaica

## Synopsis

Kids can record their own travel adventures and make a treasured memory book for their trip to Jamaica, with this travel journal. A great diary and travel companion that will increase children's excitement, this journal offers plenty of writing and drawing space. Helping children become involved in the early planning stages of their trip. This is a great gift for children and a great keepsake for parents.

## Customer Reviews

My six year old grandson, who is always making books begin filling it "The things I need to do before I go" as soon as he opened the journal. His mom said he added something her saw or did to it each evening before going to bed. It is a painless way to practice vocabulary and spelling.
