Assimil French Pack [Book+1 CD PM3] French For English Speakers (French Edition)

Synopsis

The Assimil method for teaching foreign languages is through the listening of audio cd's and the reading of an accompanying book, one side native language, one side foreign language. This method is focused on learning whole sentences, for an organic learning of the grammar. It begins with a long passive phase of only reading and listening, and eventually adds active exercises. Most books contain around 100 lessons, with the active phase starting on Lesson 50. The word Assimil comes from assimilation. Several different series are published: With Ease series, which teach basic rules of grammar and a vocabulary of 2000-3000 words; Perfectionnement series, which teaches more advanced idiosyncrasies and idioms of the target language; Business series, which focuses on vocabulary related to international business; Idioms series, which teaches common idioms

great!!

This is the first language study program that I have truly loved. It's engaging and has been helping me learn what I've found to be the most challenging aspect of learning a new language: oral comprehension. It's wonderful and worth every penny... Highly recommended!

Perfect size, exactly what I was looking for. Easy to follow and understand. My only complaint is that some of the audio files in the CD were labeled wrong, so i had to refer to the book to correctly name

the audio files on the CD. Also, had a hard time burning the cds onto my laptop. I had to use some other laptop to burn them, for some reason mine would not read them (not sure if it's a common problem). Above all, I'm really enjoying the lesson and feel that I'm benefiting from them.

All Assimil products are great. I've learned Italian and Spanish using these methods with great success. Now I'm on to French. *À bientôt* - bienvenue

Phenomenal love the new improvement this is a much better system to learn languages than any other I speak 7 languages near native.

The books are excellent but the delivery was nearly two weeks after the latest date quoted.
