1 & 2 Timothy And Titus: Do What You Have Heard (Lifeguide Bible Studies)

Synopsis

Deteriorating values. Competing religions. Weakening morality. Do you feel sometimes that the world presents you with more problems than you can handle? Timothy and Titus faced all of these tough issues as young church leaders. But Paul encouraged them to put aside timidity and insecurity, and to find strength in Christ. As Pete Sommer guides you into study of these letters, you'll also find the support you need to follow through in obedience to God's Word. This LifeGuide Bible Study in IVP's revised format features questions for starting group discussions and for meeting God in personal reflection, as well as a new "Now or Later" section following each session to help you act on what you learn.

These books are great for "DIGGING" into the Bible. They provide questions on the passages so

that you go "deeper" .highly recommend!

This was our workbook in our Home Group Bible Study. The questions were relevant to scripture and had applications to our daily life.

Great Bible study

I believe the books of Timothy and Titus are a great fit for today. telling us what is expected of us --and should make us better people.

Not what I was looking for in a leader's guide for a bible study but I may have read the details wrong when ordering.
