Jeff Welsch has written books and articles on topics from sports to Native American issues to history and politics. He is also a senior editor for Montana Quarterly and lives on the Gallatin River outside Bozeman, Montana. Sherry L. Moore, an educator and writer for over three decades, has coauthored several guides to the western states. She lives on the Gallatin River outside Bozeman,

Montana.

Not a whole lot of information that you cannot find on the internet. Too much focus on hotels and restaurants and we all know how those can change in a hurry.

I was looking for a book to plan our trip to Yellowstone with. This has some information about history and geology but otherwise very little about the park itself. It is mostly stuff like where to stay in other nearby towns that might be better done with a web search. I got the Kindle edition and the maps don't enlarge well. It wasn't worth the money for me.

good information

My wife and I are planning a road trip this June to this area of Wyoming and after reading this book found it to be a great resource for what to do, where to go and stay, and side trips that will make the vacation more enjoyable. Hats off to the level of detail and information the authors have put together in this book. Highly recommend it.

Excellent book on Yellowstone & Grand Teton. Excellent to read to plan your visit to Yellowstone or Tetons. Gives history, attractions, places to stay, places to eat. Easy read.

I'm glad I read this book previous to visiting Yellowstone National Park this past summer. It enabled me to appreciate my visit and also gave me info so I could be sure and see the things most interesting to me.

A good read but better done.

If you like to stay in hotels, eat in restaurants and shop, this is the book for you! If like me, you prefer to camp, cook your own food over an open fire, and spend your waking hours in the great outdoors, keep looking. There are 77 pages of hotels/motels and 2 pages dedicated to campgrounds. I think I'll visit the local Barnes & Noble where I can look before I buy.
