AUDRAI never worked undercover. But I danced in the strip clubs before I joined the Army and I knew that world. I knew I could find the evidence Joss needed to stop the men using The Red Door Gentleman's Club to use and discard women who were desperate to bring their families to this country. The images of those poor women, beaten and abused, haunted my thoughts each time I looked at the men responsible. How could anyone be that cruel? How could anyone be that heartless? Yet, Xavier Damico was different from what I expected. Had Gray Wolf gotten it wrong this time?

SHAWJoss Matthews was a badass and I wanted nothing more than to prove myself to be just as good as she was. Fresh out of the Marines, I thought I had it in the bag when Ash Grayson hired me himself. It didn't matter that my first operation turned out to be babysitting a drunk. It was still a chance to prove myself. ERINI don't do well with intimacy. I don't like to be touched. I don't even like men to look at me. Then why was I in a bar, setting some guy up to see if he could be faithful to his wife? I was relieved when the assignment was over and he was out of my life. Yet, he wasn't. He kept showing up. First at a restaurant and then in my house. And the story he had to tell—either I was about to be a hero, or I was about to magnificently lose my job.

KARII walk into that room expecting a stranger, someone I can manipulate, maybe even drug. Instead, there stands my neighbor, but he's not the same, kind, gentle man I thought I knew. And we're caught up on this case together, both working toward a separate end, both aware of the consequences should our covers be blown. Can I trust him? Can trust even exist in this screwed up world?

JOSSEleven years ago, Joss Grant Hernandez Matthews lost her son and husband in a tragic accident after a drunk driver made the choice to get behind the wheel. Four years later, she found a good man who brought her out of her grief and gave her a new purpose. But that accident has come back to haunt her. The family of the drunk driver want her to pay for what they see as his tragic death by his own hand. Her daughter is missing and her husband has become a target of this same enemy. Joss is carrying the weight of it all on her own shoulders, unsure of who she can trust and unwilling to place anyone else she loves in danger. They've all lost so much. How can she ask them to risk more? However, Joss is forgetting one thing. Gray Wolf is a family. And family doesn't let family walk alone.

Customer Reviews

I thoroughly enjoyed these books. The characters are well developed, and the plots are believable. One story flows into the next, and you'll soon be caught up in the feeling of family. HOWEVER, Ms. Sinclair is in dire need of a proofreader. The books are riddled with editing oversights. Here are a few:ÃfÂçÃ â ¬Ã Å“Is that they guy on the website?ÃfÂçÃ â ¬Ã Å“. . . tried not to look to eager . . .”ÃfÂçÃ â ¬Ã Å“. . . thatÃfÂçÃ â ¬Ã â„çs the most of seen of . . .”ÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“beer of mugÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“l go that bar . . . once a year.ÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“They will all going their own way.ÃfÂçÃ â ¬Ã Å•"Shuttered" instead of "shuddered"ÃfÂçÃ â ¬Ã Å“laundry matÃfÂçÃ â ¬Ã Å• instead of ÃfÂçÃ â ¬Ã Å“laundromatÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“wearyÃfÂçÃ â ¬Ã Å• instead of ÃfÂçÃ â ¬Ã Å“waryÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“They donÃfÂçÃ â ¬Ã â„çt come them any better than her.ÃfÂçÃ â ¬Ã Å•ÃfÂçÃ â ¬Ã Å“ You have my word. Another great set of books by this author. Good characters and story line. Always enjoy reading this author's books.. Looking forward to more

I have enjoyed all of the Gray wolf series and this one is no exception anyone who likes an adrenaline rush and romance will love these stories

Although many of the original characters are here, so many things have changed, and not for the better. Joss has poor taste in men. It seems that she can forgive way more than any normal woman would put up with. I truly loved the original series, and even like this one, but there is just nothing memorable here.

What a roller coaster ride.I hope there are more books so we can see how Joss and Carrington are. A little sad it ended so soon

I highly recommend this series. It is hard to put down. So great to see old characters return and see what they have been doing. Also great to see the story from all angles. Love how Glenna develops her stories.

The amazing thing with series how each person and roll and each persons roll intersected with the next person.Keep you on the edge of your seat waiting for what was going to happen next.

Each book in the series was great as the series continued. Many twist and unexpected turns. Heartbreaking at times but loved the Gray family bonds.
