Zits Apocalypse: Are You Ready?

Synopsis

Welcome to Zits, the brilliantly funny comic strip that is the perfect portrayal of life with a teenager—complete with an eye-rolling teen and well-intentioned, but baffled, parents. Teenagers are a lot like zombies—slow-moving, difficult to communicate with, and always, always hungry. Luckily, Zits Apocalypse is here to shed some light on the ups, downs, and in-betweens of parenting teens. Join the Duncan family—Connie, Walt, and Jeremy—as they grapple with modern technology, confront an endless sea of dirty laundry, and learn to bridge the cultural divide between parents and teenagers. Zits Apocalypse offers a light-hearted yet insightful look at the multifaceted lives of modern teens and their families, complemented with annotations from the creators. From financial trouble to the perils of young love, this collection broaches relevant and familiar topics with wit, humor, and affection.

Jerry Scott is the co-creator of the award-winning comic strip Zits. He lives in central coastal California. Jerry's work on Baby Blues has delighted fans and wowed the cartooning world since he launched the strip with Rick Kirkman in 1990. Co-creator Jim Borgman and his wife are the proud parents of five children. He has also won a Reuben Award and a Pulitzer Prize. Both he and Jerry have LOTS of experience with teenagers.

10 years after I discovered Zits and it still does not disappoint. As the mother of three young men

(25, 23, 18) and the grandmother of a future teen boy (4), this strip fires on all cylinders for me.
Great job!

I love Zits and this treasury didn't disappoint!

Loved the book! Yes, they definitely could fit more material on the pages. On the plus side, it is really great for those who need larger print. And it is maddening when I can read through the whole book in less than a half hour. But I'm glad I bought it. Just don't buy the Zit books with the same year day-to-day calendar. The comics are the same.

Have been following Zits since its inception. Love the peek at a teenage boy's life since I raised three of them. I do wish they would include Hector more. The stories are believable. Sometimes the parents are hard to understand. If that boy wants to sleep late on Saturday, leave him be.

Jerry Scott has his pen and brush on the pulse of American teenagers---and their parents. No matter your stage in life, you can instantly identify with the characters in his collections. They are a never fail hit. And his comic art work is unequaled.

I regularly follow Zits comics in the newspaper, but most of the strips in this book were new to me. I really enjoyed it, and will share it with visitors to my house. Several of the strips reminded me of things my kids did.

Purchased for son. We enjoy Jim Borgman's humor and see so much of ourselves in the Zits characters. It is a communication bridge for parents to teenage and early twenty sons who don't want to share much. We have laughed at ourselves through Borgman's humor.

Classic Zits!!
