Great book for learning. This is the second book for learning the banjo. I highly recommend this book for those learning to play the Earl Scruggs method.

What my teacher wanted me to get, so I am glad that you have it.

What a great follow up to Method Book 1. Picks up and continues the excellent, step by step instruction. I almost don't need my teacher.

If you want to learn to play this is the video to use Hal Leonard has the best and is great! Great for learning how to play Banjo
