## **Customer Reviews**

Awesome

Cannot wait to visit Ireland and put to use the resources listed in this book!

Great information for most of the places I will visiting.

Good to use as a resource

Look great

This "highlights" guidebook was exactly what we needed. We were going to be in Ireland from weekend to weekend, with a rental car, and wanted to see as much as we could along our circular route. This was the perfect resource in order for us to plan an exciting - and logical - itinerary on the go. We hit many of the must-sees and came back satisfied with the way we used our time. In the age of online travel planning it was the ideal companion guidebook to make the most of our vacation - and no wifi required! Highly recommended.

Previous years have been of better quality overall

Lots of useful info abit what to see and do.
