Life Along The Silk Road: Second Edition

Synopsis

In this long-awaited second edition, Susan Whitfield broadens her exploration of the Silk Road and expands her rich and varied portrait of life along the great pre-modern trade routes of Eurasia. This new edition is comprehensively updated to support further understanding of themes relevant to global and comparative history and remains the only history of the Silk Road to reconstruct the route through the personal experiences of travelers. In the first 1,000 years after Christ, merchants, missionaries, monks, mendicants, and military men traveled the vast network of Central Asian tracks that became known as the Silk Road. Whitfield recounts the lives of twelve individuals who lived at different times during this period, including two characters new to this edition: an African shipmaster and a Persian traveler and writer during the Arab caliphate. With these additional tales, Whitfield extends both geographical and chronological scope, bringing into view the maritime links across the Indian Ocean and depicting the network of north-south routes from the Baltic to the Gulf. Throughout the narrative, Whitfield conveys a strong sense of what life was like for ordinary men and women on the Silk Road, the individuals usually forgotten to history. A work of great scholarship, *Life along the Silk Road* continues to be both accessible and entertaining.

Book Information

Paperback: 312 pages

Publisher: University of California Press; 2 edition (March 25, 2015)

Language: English

ISBN-10: 0520280598

ISBN-13: 978-0520280595

Customer Reviews

"A more completely reconstructed Silk Road and more colorfully depicted stories." (H. Zhang CHOICE 2015-09-01)"Whitfield's biographical summaries neatly contextualize a range of social, religious, and geo-political perspectives." (Bulletin of the Asia Institute)

“The cast reads like something out of The Canterbury Tales. Brings to life the history and also the great variety of people, languages, religions, interests, and behaviors along the most remarkable of migratory routes.Ã¢ ¬Â•Sunday Times (UK) “A wonderful find. This book is a treasure.Ã¢ ¬Â•South China Morning Post “A trailblazer, vividly recreating the life and times of this great cultural highway.Ã¢ ¬Â•The Scotsman "Wonderfully written and highly evocative. Armchair travelers and historians will certainly enjoy reading it."Journal of Asian Studies "Enlightening. Whitfield's skillfully crafted tales take readers on a journey back to the heyday of the Silk Road and enable them to relive its people's unusual existence."Bloomsbury Review "Imaginative reconstruction of a distant time and place is this book's great strength. It's both enjoyable and very useful for anyone teaching or learning about the region." David Christian, Journal of World History "Susan Whitfield infuses her narrative with delightfully elaborate descriptions embracing an amazing plethora of topics. Her tales provide intimate historical matters well beyond the Chinese traditional accounts."Comparative Civilizations Review

Combines intense research and recent archaeological finds with a narrative flow. Vignettes that delve into the life of individuals living between the 6th and 10th centuries in Central Asia. Gripping and entertaining, well researched.

great

it works for my class
