Bare Roots

bare roots

A poetry collection by
Molly S. Hillery

Synopsis

bare roots is a collection of poetry written for anyone that has ever buried parts of themselves away from the world. The book is divided into six parts-- Pruning the Damage, Battling the Weeds, The Roses [and the Thorns], The Seedling Shall Blossom, Cultivating Wisdom, and Buds of Hope are delicately crafted segments that touch on the subjects of femininity, love and loss, trauma, mental illness, the search for meaning, and ultimately, how to grow from it all. Some portions of this book contain mature content and may be triggering. This eBook is not recommended for viewing on older Kindle devices, such as 1st and 2nd generation Kindle Fire. It is optimized for newer devices and tablets.

Customer Reviews

even from the "dear reader" section I knew this book was going to be powerful. I want to thank the author for being brave enough to share her story with us in such an empowering and beautiful way. this is an absolutely stunning collection. (please know that this collection does cover serious/heavy topics so please be careful!)

My wife follows her on Instagram and absolutely loved the book. Molly is a gifted writer and this is a collection worth reading. It is filled with love, heartbreak, loss, but most of all wisdom and healing.

This book is BEAUTIFUL and gripping in its authenticity, genuineness, and raw emotion. I read it in one sitting because I couldn't put it down. I cannot recommend this book more. I can't wait to see what more Molly will write in the future :).

It feels like you are going on a journey in this collection. We have different stories but I felt the words and see myself in here. I may have highlighted the whole book.

beautifully expressed what so many people can't put into words. Love this book! Write another one :)

Powerful poetry from a courageous woman.

A true survivor sharing her life experiences through poetry.

Absolutely beautiful, brutally honest, and masterfully crafted, this book is an inspiring read for any woman.
