NO EXIT A Gripping Thriller Full Of Heart-stopping Twists

Synopsis

Looking for a thriller that you can't put down? Then try this book that everyone's talking about. One of the tensest, most gripping thrillers you will ever read. From UK and US best-selling author Taylor Adams. A KIDNAPPED LITTLE GIRL LOCKED IN A STRANGER'S VAN. NO HELP FOR MILES. WHAT WOULD YOU DO? Darby Thorne is a college student stranded by a blizzard at a highway rest stop in the middle of nowhere. She's on the way home to see her sick mother. She'll have to spend the night in the rest stop with four complete strangers. Then she stumbles across a little girl locked inside one of their parked cars. There is no cell phone reception, no telephone, no way out because of the snow, and she doesn't know which one of the other travelers is the kidnapper. Full of shocking twists and turns, this beautifully written novel will have you on the edge of your seat. Who is the little girl? Why has she been taken? And how can Darby save her? Customer Reviews

This "thriller" reads like an action comic book because the characters are two dimensional and the thrills, twists, and turns are often sadistic acts of aggression by the really, really bad guy. He is countered by the really noble heroine who is trying to save the really pathetic kidnap victim from the bad guy and his dim-witted brother. All 6 of the characters are stuck in a rest area together in the middle of a snow storm out in the Rocky Mountains. The whole story deals with the battle between the bad guy and the good girl. In its extreme situations, the story lacks any hint of realism. It is fast paced and suspenseful, but the thrills are pretty cheap.

This is a great book if the reader wants lots of action and twists one never sees coming. During less

that a twelve hour period, this story is compelling and hard for the reader to put the book down. It a wild roller coaster ride with surprises even to the very last paragraphs!

I would give this 3.5 stars if I could. The intensity of this book reminded me of the movie Speed. The action is non-stop and there are many unexpected twists. Yet, something was just off for me. Maybe it was the level of violence. I had to read it to the end, though, to see what happened.

Great read - really enjoyed all the twists and turns - kept me guessing. Highly recommend.
