Dance Upon The Air (Three Sisters Island Book 1)

Synopsis

#1 New York Times bestselling author Nora Roberts is hailed by Publishers Weekly as “a storyteller of immeasurable diversity and talent.” presents the first book in her Three Sisters Island trilogy. When Nell Channing arrives on charming Three Sisters Island, she believes that she has finally found refuge from her abusive husband and from the terrifying life she fled so desperately eight months ago. Careful to conceal her true identity, she takes a job as a cook at the local bookstore café and begins to explore her feelings for the island sheriff, Zack Todd. But there is a part of herself she can never reveal to him. One careless word, one misplaced confidence, and the new life she has so carefully created could shatter completely. Just as Nell starts to wonder if she will ever be able to break free of her fear, she realizes that the island suffers under a terrible curse—one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. And now, with the help of two other strong, gifted women and the nightmares of the past haunting her every step she must find the power to save her home, her love and herself. Don't miss the other books in the Three Sisters Island Trilogy: Heaven and Earth, Face the Fire. From the Trade Paperback edition.

Customer Reviews

As always Nora Roberts creates unique characters and intertwines them in ways that urge one to read on. This is the first book in a Trilogy, however each book in the trilogy could stand alone as a complete story. I enjoy the magical turns and the development of a plot. I highly recommend this book and series as a must read!

What a beautiful find! The story of Three Sisters Island was just amazing! Filled with mystery, witches, folk lore, and self discovery. The way the author describes the Island you can just see it alive in your mind! With it's main characters, three direct descendants of the original three witches of the Island, and throw in the townsfolk who live there set in motion the beginning of this trilogy that's sure to delight anyone who loves witchy stories. I'm so excited to have found this story and can't wait to read onto the next installment!!

Warning of Domestic Violence triggers.Compelling blend of history, Wiccan, thriller and HEA. Believable characters. The dialogue is informative, enjoyable and snarky. Easy to follow stand-alone storyline. Formatting and editing errors.ÃfÂçÃ â ÑÃ Â“The Puritans came here, searching, they said, for religious freedom. Of course, many of them were only looking for a place to force their beliefs and their fears on others. And in Salem, they persecuted and murdered blindly, so blindly that not one of the nineteen souls they took was the soul of a witch.ÃfÂçÃ â ÑÃ Â“Prejudice and fear are never clear-sighted.ÃfÂçÃ â ÑÃ Â•ÃfÂçÃ â ÑÃ Â“She wouldnÃfÂçÃ â ÑÃ â„çt if you werenÃfÂçÃ â ÑÃ â„çt trying to push your psychic hooey on her.””Psychic hooeyÃfÂçÃ â ÑÃ â„ç sounds like the name of a second-rate rock band and has nothing to do with what I am. But even thatÃfÂçÃ â ÑÃ â„çs better than blind, stubborn denial. Knowledge is always better than ignorance.ÃfÂçÃ â ÑÃ Â•I will re-read this story and look forward to other works by this author.

You have to admire a woman who decides to take control of her life no matter what...uses what skills she has and learns to follow her instincts. That's Nell's story in the first of this series. She runs

from an abusive marriage and is drawn to Three Sisters Island. Nora Roberts has done a commendable job of weaving the paranormal with ordinary circumstances in a beautiful setting off of the East Coast. Zack, the Island's sheriff and Nell's romantic interest, is a well defined and interesting character, even though he's lived his entire life on Three Sisters. You salivate over Nell's cooking creations and marvel at her ability to create home and serenity. I loved this story and it's mix of characters, as well as the idyllic setting in Massachusetts. Highly recommend this book.

Just when I think I've read enough of Nora Roberts' books, she hits it out of the ballpark for me again. I guess I'm going to have to keep reading her books. I certainly want to finish this trilogy. Witchcraft, magic and other fantasy is not normally what interests me but Roberts does a great job weaving it into the normal, everyday lives of her characters. The story of Nell and her escape from an abusive marriage hooked me from page 1. I loved the small town feel of the island, the friendships that develop, the romance with Zack, the sheriff, and the strength Nell gains when she realizes her own worth and is allowed to become her own person. I also like that it brings light to the very real psychology of abusers and their victims.

This was Book 1 in the Three Sisters Island trilogy where I enjoyed spending time with the characters and watching the suspense build. I actually got it after I had read Book 2 - Heaven and Earth - so after I read it, I went back and reread Book 2, and then Book 3.

A book about what can happen in some relationships and how people react. Fear rules us sometimes and that has to break before help can be given. The magic does not take away from the issues addressed in this story.

I enjoyed this book from the first page to the last. I can not wait to start Book 2. Hope others will enjoy it as much as I have. I have enjoyed all the books I have read by Nora Roberts. Always looking forward to her next book.
