This is such a cute book a lot of kids don't like to brush their teeth take a bath and this T-Rex he's one of those kids. This is a fun way to get kids to understand that taking a bath and brushing their teeth it's really fun and they can make a game of it and this is a wonderful book to do that . I love all the illustrations in the pretty colors in the book and kids will love to look at the pictures and smile and laugh as they get to read the story.

My T-Rex Gets a Bath This book sounded so silly I just wanted to read it because I know it will have me laughing. Children's rhyming colorful story of what happens after the toys have been picked up and it's time for the boys bath...with his T-Rex. They decide on a game to play while getting scrubbed clean. Some of the pages are very dark with dark lettering it's difficult to see. Cute story and a free gift.

...It's good to get clean when the day is done." Opened up this book for first time and was pleasantly surprised by the quality of both illustrations and well-rhymed verses! Loved the humor present such as when Rex took to making pictures with toothpaste. Had a fine message as well and I liked this children's book a lot!

"My T-Rex Gets a Bath" is about a mischievous dino named Rex and his buddy Tom. This is a great book about the importance of good hygiene and something kids can learn from (in a delightful rhyming format). What struck me was the fact that Tom took the lead, as a young boy, and was a good example for someone else. I was impressed by the deeper layers in this story, and I enjoyed the life-like illustrations too.

My T-Rex Gets a Bath is a darling illustrated picture book for kids. I loved the colorful drawings with the cute characters. Both of my children enjoyed the book. I would recommend a larger screen- my iPhone was a bit small for this book.

This short story teaches children a very valuable lesson: to stand up for themselves instead of taking the blame when it's someone else's fault. My nephew enjoyed it a lot. The story is really easy to follow and the illustrations are adorable.

Cute book for toddlers especially at bedtime. And if you child loves dinosaurs, well this is the

ultimate book for them!!

This is a nice eBook for Kids. And the author Chloe nicely decorated this story with high quality and eye-catchy pictures, which loves the children. Thanks a lot for this wonderful picture book.
