Senior Week Fling

Synopsis

All the tests, torments, and teasing of high school are finally behind Eve. Only one thing remains before she can finally shed high school hassles: Senior Week, where everyone heads to the Jersey Shore for one last week of partying and fun with friends, frenemies, and those annoying people you can't wait to be rid of. Like her high school nemesis and the unexpected appearance of the ex-boyfriend who broke Eve's heart. She can't let them see how devastated she is. Thank goodness for great pals like Adam who are willing to come to her rescue. In a dramatic public display, Adam kisses Eve, telling their classmates they've fallen in love and are now a couple. How hard could it be to fake a relationship for a week? Playing lovers is all fun and games in a beach paradise as fake as their relationship. Until very real—and unwelcome emotions start to emerge. Now Adam and Eve are battling not only their exes and rivals, but their own jealousies and fears. Can best friends really become lovers? Or is this all just a Senior Week fling?

4.5 Best friends to lovers stars! This was SUCH a cute story! Adam and Eve (I know!) have been friends since kindergarten and they're suddenly forced to acknowledge their "more than friends" feelings during a post graduation ruse to make Eve's ex jealous. I needed this after my last read was a bit too deep and ansgty. This sort of post high-school, miscommunication angst is more my speed with teenage fears getting in the way. The "I'm scared to ruin the friendship" bit usually never fails. Both characters were fun and sarcastic and had a great friendship I enjoyed watching grow into more. Adam was a total sweetie-pie and Eve was pretty tough for a young woman thrown into something so scary. The story was fast paced, deep enough to feel the emotion yet light enough not to get too bogged down in detail and really delivered the cute punch despite the teen angst. Not to mention the secondary story with the two other best friends that really made it a sweet read for either a rainy day or a chill beach read. I had a lot of fun with this one and sat with bated breath to flip to the next page.

This was a fun quick read. I loved Eve and Adam's love story. Sometimes, the best person for you is truly right in front of you.

YA is usually not my cup of tea but I thoroughly enjoyed this one! It's a quick sweet read! Well written with a good storyline! Adam and Eve (love the names) are the cutest couple! Love them! Highly recommend!

I love this book!!! I loved how their names were a famous couple and they ended up together. So good!

I really loved this book - it's perfect for a beach read.

I loved this story!! The romance is sweet, with a touch of heat. It is a fun and light read. Highly recommend!
